OBJECTIVE

Frontend React Developer with 2+ years of experience, seeking a full-time role to create dynamic and responsive web applications.

EDUCATION

Diploma in Computer Engineering, Abdul Razzak Kalsekar Polytechnic, Navi Mumbai   2022 - 2025

SKILLS

Technical Skills	HTML, CSS, JavaScript, React, Redux, Node.js, Firebase, Git, Webpack
Soft Skills	Team Collaboration, Problem Solving, Time Management, Communication

EXPERIENCE

Web Developer Intern   Jan 2024 - Feb 2024

Forbid Fire, Navi Mumbai, India   [(GitHub)](#)

- Developed and delivered a responsive website for the company, enhancing their online presence and user engagement.

- Collaborated with the design team to ensure seamless integration of visual elements and functionality.

- Utilized HTML, CSS, and JavaScript to create a user-friendly interface.

PROJECTS

Work Tracker   [(GitHub)](#)

- Developed a task management application using React and Redux to help users track their work and manage deadlines effectively.

- Integrated Firebase for real-time data storage and synchronization.

Project Showcase   [(GitHub)](#)

- Created a platform to showcase various projects using React, allowing users to browse and learn about different development projects.

- Implemented responsive design to ensure accessibility across different devices.

Password Manager   [(GitHub)](#)

- Built a secure password management application using React and Node.js, enabling users to store and manage their passwords safely.

- Implemented encryption for storing passwords securely and authentication features for user login.

EXTRA-CURRICULAR ACTIVITIES

- Active contributor to open source projects on GitHub, collaborating with developers worldwide to improve software quality and functionality.

- Has achieved victory in zonal-level competitions, been selected for state-level competitions, and won various trophies in volleyball tournaments.
